Story so far: Mizuho found himself on the street after his girlfriend dumped him for being a useless teech. Various events occurred and now he is currently living with Arishima Sunao his friend's brother who's also a popular porn manga artist. He cooks and does all the odd jobs around the house. One day Sunao had a writer's block and said to him, "I'm stuck at how the sex position should be," which then led them to doing erotic things themselves.

...AND LEAVE!!
I'LL FIND MYSELF A JOB...
